Well, we all thought we were going to make a large yield of cotton, but somehow it has kinder this week.

B. W. Simmons of Opp was a business visitor to Elba Monday. hould have a trench silo, and faded away but it is a very good ry disappointing to observe crop. The corn crop does not seem crop. The corn crop does not seem to be so good. We think the hog Troy were guests of Mrs. Betty visited Mr. and Mrs. T. H. Deal choroughly convinced that crop is kinder off. The potato crop Rowe and family Tuesday. and family Sunday. so thoroughly convinced that so one of the best things any mer could have for his cows. For eare a few trench silos in the county in this section and I and to appeal to every farmer owns cows to make inquiry out these silos, visit the farms a which they are located and be which they are located and be a which they are located and be consent if you can when the silo is one of the best things any mer could have for his cows. We all have our ups and downs. Some sickness and a few deaths, but we have lots to be thankful for. After all, when we count the good things of life we have enough to make us all happy. You take the Church and God's Word and His promises to us. It cheers us the guest of Chipley, Fla., were deuted and be the Church and God's Word and His promises to us. It cheers us the guest of Chipley, Fla., were deuted and be the county in this section and I amily Sunday.

Mr. and Mrs. J. B. Pinkard and daughters of Chipley, Fla., were deuted and Mrs. W. M. Brunson the first of the week.

Miss Louise Johns of Opp is the guest of Miss Myrtle Pinckard.

Talls How She Tork 4 t if you can when the silo d. If I could convince the rs in Southeast Alabama of all value of a trench silo on arm, and thereby cause the respectively. For four weeks now we have throughout the section to the convince the respectively. The could convince the rs in Southeast Alabama of all value of a trench silo on the respectively. The convergence of the convince the respectively. The convergence of the convergence of the convince the respective to the respective to the convergence of the convergence o ather unless you do other things, or young plants cannot stand is hot sun on dry dirt. A nice the of turnips or rutabagas can parched and destroyed in just few days by the hot sun. This neasily be avoided by breaking one nousing young plants, but please remember just a bush now and then the professional parts. The professional parts are capable of our young plants, but please remember just a bush now and then the professional parts. The plants are capable of the good of our young plants, but please remember just a bush now and then the professional parts. The plants are not parts and the number of course of the good of carrying, there would are provided and provided by the provided and parts are capable of carrying, there would be not sundant to the provided and provided by the provided and parts are capable of carrying, there would be very little hunger and suffering in this section, even under the most adverse circumstances. Why do our people continue to live in poverty when it would be so easy for us all to have plenty if we only tried?

The many friends of County Commissioner L. F. Young will regret to learn that he is quite ill at his home in the Curtis community.

The many friends of County Commissioner L. F. Young will regret to learn that he is quite and have heard some good preaching. They all his home in the Curtis community.

Whisses Evelyn Allred and Lousian to the fighting and the proving and have enjoyed them so much. We visited Curtis and Pine Level and have heard some good preaching. They all the work if I do nothing more. If this country had the necessary number of trench silos and it sure great to learn that he is quite all this home in the Curtis community.

Misses Evelyn Allred and Lousian the City reduced 26½ lbs.—took with the few remembers and all be real good and love one another and help each of carrying, there would be very likele blunger and suffering in this home in the Curtis community.

The many friends of Country Commissioner L. F. Young will regret to learn that he is quite loss rs throughout the section to been in meetings and have enjoyed The many friends of County is being picked in all secbigger. in the home of Mr. and Mrs. Jas.
